## FEINSTEIN FRIDAYS

One of the ways we raise funds each year is through Feinstein Shirt Days. We will celebrate Feinstein Day on the LAST FRIDAY OF THE MONTH. A donation of at least 25 cents is requested by students and staff for this privilege, but not mandatory for participation. Each month, proceeds will benefit a charity. Our charity list this year is amazing!!! We chose some great places that are close to our hearts so we will be donating to charities that mean something to our staff here at Gardner! I strongly encourage you to participate!! T-Shirts for new students and kindergarten students will be sent home once we receive them.

We will start our **Feinstein Days on November 17!**  
November's proceeds will go towards the Leukemia & Lymphoma Society

## School Website and Parent Communication

Our new website is up and running! Starting today, this school newsletter and other important information will be accessible via the website. I appreciate and understand that sometimes communication can seem to be a bit much; however, too much communication is always better than not enough. To access the school website, go to the district link <https://www.swanseaschools.org/> and select Gardner Elementary in the top right corner.
