Mrs. Danielle M. Costa
ASSISTANT DIRECTOR

September 14, 2020

Dear Parents and Guardians,

Welcome to the 2020-2021 school year. I did not anticipate the school year looking so different back in June, but here we are. I have to say it was great to see students back in school today.

I just wanted to be sure to mention a few things:

- Your child's Case Manager will be reaching out to you within the next couple of weeks to check on how things are going with your child during the hybrid model. This conversation will allow us to establish how to work with your child going forward.
- The annual Notice of Procedural Safeguards will be going home with your child this Friday.
- There is a newly developed FAQ listed on the student services website. Please be sure to take a look and let me know if you have any further questions about this school year.

I hope everyone has a great school year, and I ask for your patience and understanding as we all navigate this new and different school model.

Take Care,

Dr. Garell
